

# Gift Aid Declaration on behalf of Panda Players

Registered Charity Number 1112851

## Increase the value of your membership subscription or donation without paying a penny more

Making a Gift Aid declaration is an easy way of allowing **Panda Players** to reclaim the tax you have already paid. Your membership subscriptions and/or donations are worth a quarter more, for example for your subscription of £40 we can reclaim £10 from HM Revenue & Customs. Anyone who pays UK income tax or capital gains can make a Gift Aid declaration. Therefore, if you are a UK taxpayer, every £1 you give could be worth £1.25 to us, **at no cost to you**. All you need to do is tick the box below.

Yes

*One Gift Aid declaration will cover all your future donations and membership subscriptions.*

I am a UK tax payer and I would like **Panda Players** to reclaim the tax on this and any other eligible donations or membership subscriptions that I may make in the future or have made in the past 4 years. I understand that I need to pay enough Income Tax or Capital Gains Tax in each tax year to cover the Gift Aid claimed on all my donations otherwise it is my responsibility to pay any difference.

*To maximise your tax giving, your Gift Aid declaration will be automatically backdated 4 years, as permitted by the Gift Aid Scheme. If you have begun paying taxes more recently, or would prefer not to backdate the declaration for any other reason, please email [treasurer@pandaplayers.co.uk](mailto:treasurer@pandaplayers.co.uk)*

If you want to cancel this declaration, change your name or home address, or no longer pay sufficient tax on your income and/or capital gains, please notify Panda Players by email to [treasurer@pandaplayers.co.uk](mailto:treasurer@pandaplayers.co.uk)

*If you pay Income Tax at the higher or additional rate and you want to claim the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HM Revenue & Customs to adjust your tax code.*

## Thank you for your support for Panda Players
