ACT ONE**#1 – Overture**

Overture concludes... applause... In the darkness we hear, in "Theatre surround sound," turn-of-the-century racing cars through the house...

SFX: roaring engines, screeching tires, grinding gears, cheering crowds...

We bleed through show-scrim to JEREMY and JEMIMA pretending to race old/rundown Chitty centre stage in the yard in front of Coggins' Garage. An ENGLISH CROWD is first seen with 2 groups in silhouette against backdrop HOLDING 2 BANNERS which read 1910 BRITISH GRAND PRIX, cheering, and waving handkerchiefs and flags, in a heightened reality as if in the Children's imagination.

SCENE ONE – Coggins Garage**#2 – Opening****JEREMY & JEMIMA**

(With "bigger than life" Sound Effects)

Brmm, Brmm, Brmm...

ENGLISH CROWD

WOW!!!

OH, THERE NEVER, NEVER EVER WAS A CAR

JEREMY

The Vulgarians are gaining on us.

ENGLISH CROWD

THERE NEVER EVER WAS...

JEMIMA

Faster, Jeremy... faster!

ENGLISH CROWD

...NEVER WAS A CAR

JEREMY

Hold on, Jemima!

(Being thrown to one side...)

Lights snap up onto 2 ensemble groups.

SFX: screech as children pretend to turn car.

OH, THERE NEVER WAS A CAR
THERE NEVER WAS A CAR LIKE THIS GREAT CAR
NO, THERE NEVER WAS A CAR
THAT EVER WAS A STAR LIKE THIS GREAT CAR

The Vulgarians... they're passing us.

We can't let them win.

NO CAR EVER WENT SO FAR
IN WINNING EVERY GREAT GRAND PRIX
THAT GREAT EIGHT LITRE MOTOR RACE CAR
IS MAKING HISTORY

Jemima, hold the throttle open while I shift the gears... together we can do it!

Together we can do anything.

Like father says...

Teamwork!

THAT GREAT EIGHT LITRE MOTOR RACE CAR
IS MAKING HISTORY

Bridge music instrumental underscoring.

It's working.

We're gaining on them!

ENGLISH CROWD

JEREMY

(To "Chitty")

Faster old girl.

Faster!

ENGLISH CROWD

(Watching "the race")

JEMIMA

JEREMY

JEMIMA

Yes!

ENGLISH CROWD

THAT GREAT EIGHT LITRE MOTOR RACE CAR
IS MAKING HISTORY

SFX: cheering crowd, engines decelerating...

(Crowd exit up and OFF stage)

Yes... We've won. We've won!

"Lights up" shatters their "reality" as their father enters USL at the same time as MR. COGGINS, the garage owner MSR. Potts is carrying an odd looking mechanical part for a wild and wonderful contraption.

Sweet musical underscoring continues.

JEREMY & JEMIMA

Father, we won! We won the race!

POTTS

Did you now?

JEMIMA

We beat those nasty Vulgarians...

POTTS

That's wonderful. Mr. Coggins, do you have a bushing that will fit this end... needs to be brass.

JEREMY

We have the fastest car in the world! Don't we, Mr. Coggins?

COGGINS

That you do. She won the 1910 Grand Prix... and a whole lot more. Quite the car in her day.

POTTS

I hope you asked Mr. Coggins if you could play in his car.

COGGINS

It's alright. Have fun, kids.

(Kids climb back into old Chitty)

I'll be right back with your bushing, Mr. Potts. Oh, and I think the pit crew's got her ready for another race.

Underscoring in... tremolo.

JEREMY

Start the engine.

JEMIMA

Turn the crank, father.

POTTS runs to the front of the car.

JEMIMA

Open the throttle.

JEREMY

She's wide open.

POTTS pretends to turn the crank.

POTTS

I'm turning. Is she starting?

JEMIMA

You've got to say please!

POTTS

Of course, where are my manners?... Please!

JEREMY & JEMIMA

Brmm, Brmm, Brmm...

Lights change as KIDS pretend to race... musical build.

SFX: Engine Starting, racing car sounds.

POTTS

It worked!

JEMIMA

Hurry up. Get in.

POTTS jumps into the car.

JEREMY

With all three of us driving...

JEMIMA

...we'll go even faster!

JEREMY

And the Vulgarians will never catch us now!

POTTS

(Playfully melodramatic and a bit silly)

Yes, because we're the Potts family, right?

Music... accent chords.

JEREMY & JEMIMA

Right!

POTTS

And the Potts' family sticks together. Right?

JEREMY & JEMIMA

Right!

POTTS

And all pitch in... right?

JEREMY & JEMIMA

Right!

POTTS

Because the Potts' family knows that...

Lighting change as the family pretends to race "Chitty"...

SFX: Racing sounds.

TEAMWORK CAN MAKE A DREAM WORK

JEREMY & JEMIMA

IF WE ALL PITCH IN AND TRY

ENGLISH CROWD

OH THERE NEVER WAS A CAR.

JEREMY & JEMIMA

TEAMWORK CAN MAKE A DREAM
WORK

POTTS

AND NO MOUNTAIN IS TOO HIGH

JEMIMA

Take the inside!

ENGLISH CROWD

NO CAR EVER WENT SO FAR

POTTS

IF THE SAME GREAT DREAM IS
BEATING IN EACH HEART

ENGLISH CROWD

WOW!

POTTS

THERES NO STOPPING WHAT A
FIGHTING TEAM CAN START!
FOR ALL TOGETHER

ENGLISH CROWD

ENGLISH CROWD

YES!

ALL THREE

YES TEAMWORK CAN MAKE A DREAM WORK
CAN MAKE THE GREATEST DREAM COME TRUE

ENGLISH CROWD

NO, THERE NEVER WAS A CAR
THAT EVER WAS A STAR LIKE THIS GREAT CAR

(Chitty Theme) Musical underscoring continues...

JEREMY & JEMIMA

Faster, faster... we'll win again... yes!

POTTS

Because we have the fastest...

JEREMY

The greatest...

JEMIMA

The most fantastic?

POTTS

The most fantasmagorical racing machine in all the world!

JEREMY

And that's why everyone wants our car.

*Lights bump up on Baron and Baroness in their quarters DSL as music is abruptly out.
Spies also come on DSR and hide in black out.*

BARON

I want it, I want it, I want it!

Musical underscoring in... style change "Chu Chi Face Intro".

BARONESS

Then you must have it my little teddy bear. Nothing is too good for the Baron of my dreams.

BARON

Nothing?... But can't I have something?

BARONESS

I will get you your car. Call the spies.

BARON

The spies!

The BARON picks up the royal telephone and begins to make phone call

Lights bump up on BORIS and GORAN DSR fumbling to find the ringing phone

BORIS

Hello..???

GORAN

Hello...

BORIS

It's the phone...

BORIS & GORAN

(Excited)

The spy phone!

BORIS

(Answering phone)

Hello.

BARON

Hello... is this you?

BORIS

This is us... is this you?

BARON

Of course it's me... who else would it be?

GORAN

Who is it?

BORIS

(To GORAN)

It's "you know who".

BARON

Me?

GORAN

If I knew... I wouldn't be asking you.

BORIS

(To GORAN)

Shuddup.

BARON

What?

BORIS

Not you.

BARON

Who?

BARONESS

(Grabbing the phone)

Gimme...

(To BORIS on phone)

Is this Boris the spy?

BORIS

Yes, this is Boris the spy... I mean, what's the password?

BARONESS

The password is I will have you hung upside-down by your pinkie toes unless you speak to me now.

BORIS

That works... how can I help you?

BARONESS

Boris darling, we want the car...

BARON

(Into phone)

...the car that always wins the Grand Prix! I'm tired of losing!

BORIS

But it crashed and burned. We don't know where it went.

BARONESS

It's in England, you idiot!

BORIS

England... Goran, the car is in England.

GORAN

Ohhh... England.

(Into phone)

Where's England?

BARONESS

You're in England now.

Someone has birthday coming up...

BARON

That's me..!!

BARONESS

Yes, my little poopy pants.

BORIS & GORAN

(To each other)

Poopy pants?

BARONESS

You will have a happy birthday, my little wiener schnitzel with strudel on top.

(Into Phone)

And spies...

BORIS & GORAN

Ya!

BARONESS

I want that car brought to Vulgaria in time for the birthday celebration! Find it or else!

She hangs up phone. BARON and BARONESS kiss politely. Lights down ON Baron/Baroness and Spies. Lights up center stage on family in old "chitty."

POTTS, JEREMY & JEMIMA

THOUGH IT SEEMS A DREAM'S IMPOSSIBLE TO DO
GREAT TEAMS MAKE IMPOSSIBILITIES COME TRUE
SO, WHEN YOU START OUT

ENGLISH CROWD

OH THERE NEVER WAS A CAR

POTTS, JEREMY & JEMIMA

POTTS, JEREMY & JEMIMA

IF YOU HAVE GOT THE WILL TO WIN

ENGLISH CROWD

YOU HAVE GOT THE WILL TO WIN!

JEREMY & JEMIMA

We win! We win..!!

POTTS

Watch out for the motorcycle.

JEREMY & JEMIMA

Yes

TEAMWORK CAN MAKE A

Add ENGLISH CROWD

DREAM WORK

JEREMY & JEMIMA

What motorcycle?

TRULY enters on motorcycle with sidecar from MSR, almost crashing into old "chitty". She circles counterclockwise around Old Chitty

POTTS

That motorcycle!

JEREMY & JEMIMA

IF YOU HAVE GOT THE WILL TO WIN—!

ENGLISH CROWD

GOT THE WILL TO WIN—!

POTTS jumps out of old "chitty" just in time to stop her DR. Motorcycle backfires then stops. Petrol pumps are pushed on USL. Applause...

JEREMY & JEMIMA

Wow!... a real motorcycle.

TRULY

Look what you've done to my motorbike. I may never get it started now.

POTTS

If it weren't for me, madam, you might have gone head first over the handlebars.

TRULY

Well, excuse me, but I happen to have a sticky carburetor and I'm simply here for a part.

POTTS

By the sound of it... you're in the need of an adjustment to your butterfly valve.

TRULY

I'm fairly certain that I need a new choke pull spring.

COGGINS

(Entering)

Here's your bushing, Mr. Potts. Oh, and he's right. By the sound of it, you need your butterfly adjusted.

JEREMY

Don't worry, our Daddy will fix it.

JEMIMA

He's an inventor!

POTTS

Allow me... uh, madam.

TRULY

Uh... Truly.

POTTS

Absolutely.

TRULY

No, Truly... that's my name.

JEMIMA

Truly... what a pretty name.

TRULY

Thank you.

POTTS

(Introducing himself)

Caractacus Potts.

JUNKMAN (same actor who plays CHILDCATHER) enters. POTTS continues, tinkers with motorcycle.

JUNKMAN

Any scrap today, Mr. Coggins?

COGGINS

Out back. Not much today, I'm afraid.

JUNKMAN

Well, I'll load it and weigh it and let you know how much.
Women... machines.

TRULY

Well, I never...

POTTS

(To Truly)

Okay... pull out the choke.

TRULY

(To Children)

Excuse me, but shouldn't you be in school?

POTTS

No. Pull out the choke, please.

JEREMY

(Pointing)

It's right there.

TRULY

Oh, yes... I mean...

(To Children)

You're not sick are you?

JEMIMA

Oh no.

JEREMY

We're fine.

TRULY

Good. Where's your mother?

JEMIMA

Mummy's over in the churchyard.

TRULY

Well, she ought to be looking after you. Oh. I'm terribly sorry.

POTTS

Give her a little throttle.

JEREMY

(Pointing)

The throttle.

TRULY

Oh, yes...

POTTS

Here we go.

Truly tries starting the engine... it doesn't start.

TRULY

You see I was right. It needs a new choke pull.

POTTS

Try switching it on.

TRULY

Oh, yes, sorry...

(TRULY kick starts motorbike. SFX: engine running)

(TRULY)

But just why aren't you children in school?

JEMIMA

It's a holiday

TRULY

And what holiday would that be?

JEREMY

Eastmas!

TRULY

Eastmas?

JEMIMA

Halfway between Easter and Christmas. A very special day when uh, when...

JEREMY

When school is closed.

JEMIMA

Exactly.

POTTS

Besides, you wouldn't want them to go to school without eating their breakfast would you?

TRULY

Well, certainly not.

POTTS

So that's why we're here... for a part to repair my breakfast making machine.

TRULY

What's wrong with a stove and a skillet?

JEREMY

Inefficient.

JEMIMA

Not as fun!

TRULY

Breakfast making machine?...

(Amused)

...rather eccentric... wouldn't you say?

POTTS

(A little put off)
No I wouldn't say.

TRULY

Well, I'm sorry, I didn't mean...

POTTS

Good day, Madam.

TRULY

Good day.
(Driving off on her motorcycle)
...Oh, and thank you.
TRULY exits DL on her motorcycle.
SFX: Gears grinding.

POTTS

(To TRULY, offstage)
And pull out the choke!

#3 – You Two

JEMIMA

(To JEREMY)
I think he likes her.

POTTS

(Focus still offstage)
Vicious, interfering, confounded woman!

JEREMY

(To JEMIMA)
I think you're right.

POTTS

Who does she think she is, telling me how to raise my children? Implying that I am eccentric. I am not eccentric. Implying I don't look after you... I look after you alright, don't I?

JEMIMA

Of course you do, Daddy.

POTTS

After all, why do I work so hard?

Music starts... number is staged on and around old "chitty."

(Spoken)

WHAT MAKES THE BATTLE WORTH THE FIGHTING?
WHAT MAKES THE MOUNTAIN WORTH THE CLIMB?

(Sung)

WHAT MAKES THE QUESTION WORTH THE ASKING?

JEREMY & JEMIMA

THE REASON WORTH THE RHYME?

POTTS

(Spoken)

Exactly!

(Sung)

TO ME THE ANSWER'S CLEAR
IT'S HAVING SOMEONE NEAR
SOMEONE DEAR

SOMEONE TO CARE FOR
TO BE THERE FOR
I HAVE YOU TWO

SOMEONE TO DO FOR
MUDDLE THROUGH FOR
I HAVE YOU TWO

SOMEONE TO SHARE

WHICHEVER BETIDES YOU

LIFE BECOMES A CHORE

(POTTS)

SOMEONE TO STRIVE FOR
STAY ALIVE FOR
I HAVE YOU TWO
COULD BE

GET ALONG SO FAMOUSLY
CAUSE YOU TWO

AND I HAVE YOU TWO, TOO

Musical interlude under dialogue.

JEREMY & JEMIMA

Because we're the Potts' Family. Right?

POTTS

Right!

JEREMY & JEMIMA

And the Potts' Family sticks together.

POTTS

Right!

JEREMY & JEMIMA

And we all pitch in right?

POTTS

Right!

JEMIMA

Right!

POTTS

JEREMY

JEREMY & JEMIMA

POTTS

Button and Applause. COGGINS enters with JUNKMAN MSR

JUNKMAN

Here you go, Coggins... Seven Shillings. Not as much as last week.

COGGINS

Business is slow.

JUNKMAN

(Giving Old-Chitty the once-over)

What's this heap of old iron doing here?

COGGINS

Old iron?

JUNKMAN

I'll give you ten bob for it.

COGGINS

You don't be daft. This was once a great car. Won the grand prix three years running.

JUNKMAN

Heh, heh... So it's a car, is it?

JEMIMA

Certainly it's a car.

JEREMY

It's our racing car.

JUNKMAN

I'll give you fifteen bob for it.

COGGINS

Make it thirty bob and she's yours.

JEMIMA

Mister Coggins, you're not going to sell her, are you?

JUNKMAN

Course he's going to sell her... what do you think he's running a children's playground or something? Alright thirty bob, I'll pick her up tomorrow.

(CHILDREN climb out of car and run to COGGINS DSR)

JEREMY

But Mister Coggins, you promised we could play in her.

COGGINS

Well, I'm sorry my dears but she's not any use to me. Times are hard.

JEREMY

But you can't take her away.

JEMIMA

She's not just any old car... she's ours.

JUNKMAN

Not any more she ain't.

JEMIMA

But what are you going to do with her?

JUNKMAN

I'll tell you what we're going to do with her. We're going to put her in the clapper. And we're going to crush her up until she's one solid piece of metal. Then we're going to put her in the fiery furnace and we're going to melt her down till she's liquid iron. That's what we're going to do with her.

POTTS

Excuse me sir, you're scaring my children.

The radiator grill at the front of old Chitty falls forward. SFX: 'BONG..!!!'

...and the car too.

JUNKMAN

I'll see you tomorrow, Bill.

#3a – Boris and Goran

Underscore in as JUNKMAN exits as BORIS and GORAN pop up from behind the petrol pumps USL.

BORIS

That's it, Goran. That's the car that won the grand prix. We've found it.

GORAN

The Baron is going to love us now... right, Boris?

BORIS

Ya... and all we need to do is get thirty Bob..

GORAN

(To each other)

Ya... thirty Bobs... what's a Bob?

BORIS

Good question, Goran.

(Slowly ducking behind petrol pumps)

...very good question.

JEMIMA

Please Mr. Coggins, you can't sell our lovely car to that nasty man.

COGGINS

Well, I'm sorry children, but I'm afraid I already have.

JEREMY

I know, Daddy will buy it for us, won't he Jemima.

JEMIMA

Of course he will.

POTTS

30 shillings.

#4 – Reprise – You Two

Underscore in... intro to "You Two"

COGGINS

Well, think about it... she's not going anywhere till tomorrow. I'd rather sell her to you... I've always wanted to see the ole girl fixed up and back on the road where she belongs.

COGGINS exits. JEREMY and JEMIMA are looking at their father.

POTTS

30 Shillings is a lot of money, Children.

They walk and sing DS as scene shifts to their Windmill Home. As they sing, the kitchen table and breakfast making machine come on from L1 to C to create interior... along with sweets making machine from L2 to MSL and the potting shed from R3 to UR. The petrol pumps are pulled off, Old Chitty is struck to stage right wing by stage management and carpenter. The Windmill sails are flown in. During the number POTTS fixes the machine and makes breakfast for his family.

SCENE TWO – Windmill Home

POTTS

POTTS starts fixing the breakfast making machine

JEREMY and JEMIMA throw eggs to their father, who puts them in the machine.

BUT YOU COULDN'T DO MORE
THAN YOU DO FOR YOUR POOR FATHER
THINGS GO ASUNDER
AND I WONDER WHY YOU BOTHER.

JEREMY and JEMIMA set table as Potts lowers conveyer belt for plates to run along.

JEREMY & JEMIMA

JEREMY, JEMIMA & POTTS

WE THREE
GET ALONG SO FAMOUSLY 'CAUSE

POTTS takes plates and sets table, rotating it as necessary.

JEREMY & JEMIMA

POTTS

AND I HAVE YOU TWO...

EDISON, the family dog, runs to table and sits.

...TOO

Button. End of song.

GRANDPA enters from the outhouse singing "POSH" to himself.

GRANDPA

'Shun...!

(They all stand at attention.)

JEREMY & JEMIMA

Shun..!

GRANDPA

As you were...

Do I smell food? Oh! Sausages, my favorite. Nothing like breakfast at supper time.

Run along now Edison.

POTTS

How was India?

GRANDPA

Well, I'll tell you, I got up this morning and I shot an elephant in my pyjamas. How an elephant got...

POTTS, JEMIMA & JEREMY

.... got into my pyjamas I shall never know.

GRANDPA

You've heard it before.

POTTS

Absolutely not. First time. Tuck in.

Grandpa sits to eat.

GRANDPA

So my boy, how's the sweet making machine coming along?

POTTS

Well, it's very nearly perfectly perfected.

He demos the machine.

Children, observe and be amazed.

Produces sweet

Careful—it's hot!

GRANDPA

Is it supposed to have all these holes in it?

POTTS

No, that's the imperfect aspect.

GRANDPA goes behind breakfast machine to get sauce.

JEREMY

Daddy?

POTTS

Hmmm?

JEREMY

Could we ask you something? It's about Mr. Coggins.

JEMIMA

He has to sell our car.

POTTS

I know.

JEMIMA

And if we don't save her, he'll sell her for scrap!

JEREMY

Mr. Coggins did say that we could have her if you gave him thirty shillings.

POTTS

Um.... well.... thirty shillings is an awful lot of...

JEREMY & JEMIMA

Please, Daddy. Please.

POTTS

I'm sure we can work something out.

(Potts looks to Grandpa who is now stood SR of the Breakfast table.)

JEREMY & JEMIMA

Goodie!

POTTS

Just this once you can finish your supper upstairs. Grandpa and I need to talk.

JEREMY & JEMIMA

Thank you, Daddy.

JEREMY

Goodnight, Grandpa.

JEMIMA

Goodnight, Daddy.

POTTS

Goodnight.

GRANDPA

Goodnight, God Bless, don't let the bugs undress.

JEREMY and JEMIMA exit DSL.

POTTS

Thirty shillings. How on earth am I supposed to find thirty shillings?

GRANDPA

I haven't the foggiest. Still they don't ask for much, do they?

POTTS

That's because they don't get much.

GRANDPA

That's true!

POTTS

But, God knows, I'm doing my best.

GRANDPA

Yes, but we're not bad parents are we?

POTTS

No, no we're not.

GRANDPA

But still nothing can replace their mother.

POTTS

I know. I know. But thirty shillings!

GRANDPA

Thirty shillings!

POTTS

Ah well. Nothing's impossible. One of these inventions is going to work one day, isn't it Grandpa?

GRANDPA

Almost entirely certainly.

POTTS

Absolutely. 'Night Grandpa.

Exits DSL

GRANDPA

'Night my boy.

Thinks to himself

My boy... got a lot on his plate he has. Funny old family we are. Still, we all muck in as best we can.

(Set moves off behind Grandpa as light fades, leaving him in a follow spot.)

#5 – Them Three

SOMEONE TO CARE FOR

I HAVE THEM THREE

SOMEONE TO DO FOR
MUDDLE THROUGH FOR
I HAVE THEM THREE

WHAT'S MORE
WE FOUR
GET ALONG ENORMOUSLY
CAUSE THEM THREE

AND THAT'S WHAT US FOUR'S FOR.

On the last beat of the song he has one of the sweets in his hand, and blows it absent-mindedly. It toots fairly melodiously for a sweet.

Good lord.

He tries it again... Bing! An idea.

Well, Blimey O'Reilly, he's invented something that works! Caractacus, Caractacus my boy!

#5a – Lowry Crossover

He exits DSL.

SCENE THREE

Lobby – Reception area of LORD SCRUMPTIOUS' Sweet Factory. MISS PHILLIPS (played by the same actor as the Baroness) enters DSR with assistant. ENSEMBLE pass left to right. POTTS enters with JEMIMA and JEREMY last, from SL.

MISS PHILLIPS

(To WORKER)

Late!

(To ANOTHER WORKER)

Late!

(To POTTS)

Late!

POTTS

Excuse me?

MISS PHILLIPS

There are no vacancies. Goodbye.

POTTS

But, I've invented a sweet, so if you would please inform Lord Scrumptious –

MISS PHILLIPS

Lord Scrumptious sees nobody without an appointment.

POTTS

Then I'd like to schedule an appointment.

MISS PHILLIPS

Appointments are scheduled on the third Monday of every month. You're welcome to schedule an appointment to schedule an appointment, but not until next Thursday when appointments for appointments are scheduled.

POTTS

How on earth does anything get done around here?

MISS PHILLIPS

By appointment.

At this point, TRULY sweeps in from DSL passing between Jeremy and Jemima.

TRULY

Morning Phillips.

JEMIMA

Truly! Truly!

JEREMY

Daddy it's Truly!

TRULY

Jeremy. Jemima. Mr. Potts. What brings you here?

MISS PHILLIPS

Good morning Miss.

(To PHILLIPS' ASSISTANT)

Please inform Lord Scrumptious that his daughter has arrived.

POTTS

(Realizing)

You're Truly Scrumptious.

TRULY

So I've been told.

POTTS

(Heading off)

Come along now children, let's go.

JEREMY

But Daddy.

TRULY

Just a moment, Mr. Potts. Exactly what is it you've come about?

JEREMY & JEMIMA

Daddy's invented a...

POTTS quickly hushes the children by covering their mouths with his hands. JEREMY holds out his bag of Toot Sweets.

TRULY

Ah, sweets.... with holes.

POTTS

It just so happens, that these holes are seemingly deliberately placed and precisely arranged...

TRULY

They are, are they?

POTTS

Oh, yes... absolutely... Listen...

He blows on one of the sweets – JEREMY and JEMIMA blow and add a note, forming a chord.

TRULY blows through the sweet, creating a melodic note. She giggles in spite of herself.

TRULY

How delightful. How fun.

MISS PHILLIPS

Only useful for calling dogs, I would imagine.

LORD SCRUMPTIOUS (played by same actor who plays Baron) enters DSR, followed by MISS PHILLIPS assistant.

SCRUMPTIOUS

Good Morning, Good Morning, Truly.

TRULY

Daddy, this is Mr. Potts and he's invented something.

SCRUMPTIOUS

I'm hoping it's not a sweet.

TRULY

Daddy Please.

SCRUMPTIOUS

Very well.

(Looks at his pocket watch then sharply, to POTTS)

You have exactly twenty seconds.

POTTS

Thank you... well Sir, the fundamental novelty of this particular brand of confectionery is its musical quality.

SCRUMPTIOUS

Ten.

POTTS

By placing one's fingers over the holes.

SCRUMPTIOUS

Five.

POTTS

And blowing thusly!

As he blows, the sound is drowned out by a very loud factory whistle. An over-excited CHEF rushes on.

SFX: Factory whistle.

CHEF

Tasting time!

SCRUMPTIOUS

Too late! Had your chance. Muffed it!

LORD SCRUMPTIOUS starts to go...

TRULY

Follow him.

#6 – Toot Sweets

...as Factory Reception Cloth raises revealing Sweets Factory.

POTTS and CHILDREN follow through to the Sweet Factory, replete with bubbling vats of gloop, conveyor belts of sweets and chocolates, enormous lollipops and candy twists, a score or so of EMPLOYEES all dressed in white (the WOMEN with white hair nets) As POTTS pitches his sweets to SCRUMPTIOUS, the latter is moving around the factory being offered a bite of this, a taste of that.

SCRUMPTIOUS

Good Morning.

ALL

Good Morning Lord Scrumptious.

SCRUMPTIOUS

Good Morning, Good Morning.

Factory workers line up as underscoring out and...

SFX: Factory whistle.

CHEF

It's Tasting time.

TRULY

(To POTTS, encouraging him)

Tell him.

POTTS

Yes... By blowing air through this hole you get a wonderful sounding...

SCRUMPTIOUS

(Tasting a confection)

Raspberry?

POTTS

No, it's more like a toot really.

TRULY*(Interrupting)*

Go on, Mr. Potts. You've got him.

POTTS

By raising the boiling point of my sugar, the resulting porosity and cylindrical shape...

TRULY

Daddy.

SCRUMPTIOUS

Truly.

#6a – Scene Change

A dog (Socks) runs from SL to SR. Then once he has exited a whole pack of dogs run on stage from both sides and move US with cast as Country Cloth comes in.).

SCENE FOUR

GORAN and BORIS enter from DR1. BORIS counts his newly acquired shillings while GORAN follows.

BORIS

28, 29, 30 bob shillings.

A stray dog from the last scene (Buffy) runs across the stage from DR to DL.

GORAN

I think it was a Shih Tzu.

BORIS

No it was a fox terrier... And don't call me Sue.

GORAN

All we need to do now is buy the car.

BORIS

It's not so simple. Mr. Coggins wants to sell it to that nice Englishman. I don't think he's going to sell it to two Vulgarians.

GORAN

Oooooow.

I've got it! Vee von't tell him ve are from Vulgaria.

BORIS

Goran, one only has to look at you to know how vulgar you are.

GORAN

Yes. I have a vulgar heart.

BORIS

Yes.

GORAN

I have a vulgar mind.

BORIS

Yes.

GORAN

Can't I speak English and still be Vulgar?

No, Goran. That would make you American. We must be English... From now on Goran you will be Gordon.

SCENE FIVE

*Music as Country Cloth rises. We're back at the MILL. – The CHILDREN'S bedroom.
It is night-time. POTTS is by JEREMY AND JEMIMA's bedside C2.*

JEREMY

Daddy, have you been working late again..?

POTTS

Why aren't you two asleep?

JEMIMA

We've been thinking.

JEREMY

We know how to raise the money for the car.

JEMIMA

We can sell our treasures.

JEREMY

Look King Alfred's Crown.

JEMIMA

The nail from Noah's Ark.

JEREMY

The stone possibly from Stonehenge.

JEMIMA

These things are enormously valuable. Take them, Daddy. You can sell them.

JEREMY

And you can use the money to buy the car.

JEMIMA

Jeremy!!!

JEREMY

And for all your inventions.

POTTS

Thank you, Children. All these wonderful things... they're very precious. I'm afraid other people wouldn't appreciate them.

JEMIMA

Why not, Daddy?

POTTS

Because other people don't see things the way you do. Come now, let's go to sleep.
I have to go to the Fun Fair.

JEREMY & JEMIMA

Oh goodie. Can we come?

POTTS

No, its not for fun. Daddy has a plan.

JEREMY

What about the boats..?

#8 – Hushabye Mountain

POTTS

The boats...? What boats.?

JEMIMA

The boats and the breeze..

JEREMY

The song Mummy used to sing.

POTTS

Oh, of course.

A GENTLE BREEZE FROM HUSHABYE MOUNTAIN
SOFTLY BLOWS O'ER LULLABY BAY
IT FILLS THE SAILS OF BOATS THAT ARE WAITING
WAITING TO SAIL YOUR WORRIES AWAY

Now close your eyes and float far away...

(Stars start to light up on the star cloth and portals)

IT ISN'T FAR TO HUSHABYE MOUNTAIN
AND YOUR BOAT WAITS DOWN BY THE QUAY
THE WINDS OF NIGHT SO SOFTLY ARE SIGHING
SOON THEY WILL FLY YOUR TROUBLES TO SEA
SO CLOSE YOUR EYES ON HUSHABYE MOUNTAIN
WAVE GOODBYE TO CARES OF THE DAY
AND WATCH YOUR BOAT FROM HUSHABYE MOUNTAIN
SAIL FAR AWAY
FROM LULLABY BAY

Sweet dreams. Daddy loves you very much.

The Children close their eyes. The stars start to fade, as the beds move off SR and the Windmill sails slowly fly out. Potts moves downstage.

SO CLOSE YOUR EYES ON HUSHABYE MOUNTAIN
WAVE GOODBYE TO CARES OF THE DAY
AND WATCH YOUR BOAT FROM HUSHABYE MOUNTAIN

(POTTS)

SAIL FAR AWAY
FROM LULLABY... BAY

In blackout upstage the pin hole cloth flies in and slowly lights up the funfair at the end of song. POTTS looks to the heavens and blows a kiss. Then sudden realization...

YES...

I've got it...!!!

POTTS runs off Mid Stage Left.

SCENE SIX – The Fun Fair

#9 – Fun Fair (Underscore)

Acrobat flips onto stage from DSL to C then when ready, Potts rides haircutting machine from MSL to DSR, hawking haircuts, as the ENSEMBLE flood onto the stage as circus folk and townspeople. Bamboo MEN set tent poles from R2 to L2 creating the Fair tenting and funfair stage.

POTTS

Haircuts! Haircuts! Ladies and gentlemen who is for an absolutely spiffing automatic haircut? Roll up, roll up, a positive snip at threepence a time! Hair cuts While-You-Wait.

Music shifts to spooky spy music Fun Fair Scene freezes. BORIS and GORAN, dressed extremely “Englishy” appear MSL after being hidden behind a large bunch of balloons.

GORAN

But Doris, I don’t understand. How could Coggins not have believed we vere English? Me ole cock sparra..!

BORIS

Ahh Gordon...

GORAN

I’m sorry, Doris. It’s my fault. My wicket was too sticky.

BORIS

No.

GORAN

My toad... not in his hole.

BORIS

No.

GORAN

And I forgot to show him my spotted—

BORIS covers GORAN’S mouth. They freeze, lights change as scene moves to a crowd that has gathered around POTTS, notably SIDNEY and VIOLET.

POTTS

...a positive snip at threepence a time!...

VIOLET

Come on Sid, you could do with a haircut.

SID

What, cut my hair? I'm like Samson, me.

VIOLET

Really?

SID

That's where all my strength is.

VIOLET

Rubbish! You're scared. He's a big old scaredy cat.

SID

Am I now? All right mate, do your worst. Not too short..!!

SID removes his hat and sits in the machine, where a sort of metal hood is lowered over his skull. POTTS mounts the bicycle and starts pedaling.

POTTS

Now just you relax Sir, and we'll have you done in a jiffy. Observe and be amazed.

Scene of Hair cut once again freezes and special comes back up on the spies.

BORIS

And now, if his invention works, Potts will make enough money to buy the car himself. In which case, we must abandon plan A do plan B... see?.

GORAN

What is plan C?

BORIS

There is no plan C.

GORAN

But you said...

BORIS

Plan B... B!!!.

GORAN

Oh... I see!

BOTH

Then we steal it from him... ha, ha, ha, ha...

Lighting snaps back to crowd scene as Boris and Goran blend into the crowd.

SID

Not been courting a month and she's trying to change the way I look.

VIOLET

Hang on a second, Sidney.

Smoke has started to billow from the machine out of the funnel at the front.

SID

Here, Vi, what's going on?

POTTS

Nothing to worry about, Sir, a little friction to start with.

SID

It tickles.

VIOLET

Sidney, you're smoking!

SID

I'm on fire!

POTTS

Almost finished.

SID

Turn it off! I'm on fire! My head's on fire!

A bell sounds on the machine.

POTTS

Well Sir that's you cooked, I mean done, I mean finished...

He raises the metal hood and SID is completely bald. The CROWD gasps.

VIOLET

Flipping heck, Sid — you're as bald as a Baby's bum!

POTTS

(trying to brazen it out — moving hand mirror up and down quickly)

Well there we are Sir. It's a new look.

VIOLET

(dubious)

It's certainly that.

POTTS

Will there be something else, Sir? Something for the weekend?

SID

(Turning on him)

I'll give you something for the weekend!

SID tries to swing a punch at Potts who ducks and runs.

#10 – Me Ol' Bamboo

POTTS

(trying to exit)

Sorry, I must dash

SID

Here, Vi! He's getting away! After him!

By which time POTTS has begun to make his escape. Haircutting machine pulled off R1, as POTTS, chased by SID, runs through tenting UR to UL and ends up in line of MORRIS DANCERS coming out of main tenting UL... SID eventually loses him and exits R with Violet and Turkey Farmer.

The number finishes. POTTS is congratulated by Bamboo men. Turkey farmer runs on DSR. Circus Girls exit USR

TURKEY FARMER

Ah, there you are.

POTTS

What do you mean?

TURKEY FARMER

You're Potts.

POTTS

No I'm not.

TURKEY FARMER

Potts the inventor.

POTTS

No.

TURKEY FARMER

Did you invent that hair-cutting machine?

POTTS

No.

TURKEY FARMER

That's a shame, because I want to buy it.

POTTS

Well, no in the sense of yes.

TURKEY FARMER

What do you want for it?

POTTS

What do I want for it? I want thirty shillings.

TURKEY FARMER

Done.

They shake hands

POTTS

I should warn you, it's still at the experimental stage.

TURKEY FARMER

I don't want it for cutting hair, I want it for plucking turkeys.

POTTS

Plucking turkeys?

TURKEY FARMER

Yes, I'm a turkey farmer. And with your machine I can kill 'em, pluck 'em and cook 'em all in one go. There you are, thirty bob. And I call it a bargain.

POTTS

And I call it a miracle. Thank you Mr...

(Reading the cheque)

Matthews. One car, coming up!

SCENE SEVEN

(As garage is revealed JEREMY & JEMIMA are seen painting the garage. The car horn sounds and Grandpa ENTERS from DSL)

JEREMY & JEMIMA

It's daddy, it's daddy, he's got the car, he's got the car.

(Potts comes out through the small garage door with the posser in his hand singing a section from Ol Bamboo).

GRANDPA

That's a nice pile of junk you got there.

POTTS

Yes, yes... needs a little work. But there's a fine engine under here.

GRANDPA

Does it go?

POTTS

No, not yet... but it will. It will.

JEMIMA

You can make it go, can't you daddy?

POTTS

Well sweetpea, we're going to give it a try.

POTTS exits into work shed, singing "Me Ol Bamboo"... closing door.

JEREMY

Can we stay and watch, Daddy?

GRANDPA

You know what your father's like when he's working. Better stay with me. I'll be taking care of things for a while... you know how it is.

(Grandpa and kids move DSL for song)

Did I tell you about the time I sailed from Liverpool?

(Running to him in front of the shed)

He's finished the car, he's finished the car..

POTTS enters through the small door. He is in a state of some disarray. He has been up all night.

Underscore in and...

#12 – Chitty Revealed

GRANDPA

So ya fixed it?

POTTS

Fixed it, fashioned it, primed it, polished it, and... Well, observe and be amazed.

Big magic music as POTTS pulls a lever. SFX: Cranking noise.

This in theory makes it look like it triggers the garage fly out. A pyro fires centre stage.

Then a rocket on either side of the Garage door fires and the garage starts to fly out...

Blinding light and smoke as CHITTY CHITTY BANG BANG is revealed in all her glory, her metalwork gleaming... CHITTY turns facing front to DSL.

JEREMY & JEMIMA

Wow, Daddy! Wow!

POTTS

Well, what do you think?

JEREMY

Fantastic...

JEMIMA

Super...

POTTS

Used to be a racing car. But now it's more of a family car!

GRANDPA

Well, you did it, Son.

POTTS

I did, didn't I? And all in full working order. Look.

(Demonstrating with buttons in the car, Grandpa and kids have moved DSL to watch.)

Headlights.

GRANDPA

Nothing.

POTTS

Headlights.

GRANDPA

More nothing.

POTTS

Please!

Bit of shimmer music as the headlights begin to glow.

JEMIMA

That's right, Daddy... she prefers it if you say 'please'. Can we go for a drive?

POTTS

A drive? I have a better idea... how about a picnic by the seaside?

(Produces hamper from behind the car)

JEREMY & JEMIMA

A picnic... hooray...!

POTTS

Alright, then. Let's get cracking.

JEMIMA

What does this do?

JEMIMA sounds the horn. And Grandpa jumps with surprise.

POTTS

It does that

GRANDPA

Start her up, son... see if she goes.

JEREMY & JEMIMA

Please!

Engine starts...

SFX (from orchestra): chitty, chitty, chitty, chitty...

GRANDPA

Well, whattaya know... a miracle of modern mechanics... not surprised really, considering you learned it all from me, Caractacus Potts...

(salutes)

regimental genius.

Potts moves to look under front of the car, grandpa goes behind it and lights fade down. Lights up on BORIS and GORAN who enter DSR with bush.

BORIS

Regimental Genius... so that's him... the mechanical genius, the inventor of the car.

GORAN

Which one?

BORIS

Not the young one, the old one... behind the car...

GORAN

...behind the car... ha, ha, ha, ha...

BORIS

You've been practicing.

GORAN

Ya...

BORIS

Gordon, you are a moron.

GORAN

Doris, don't beat about the bush.

BORIS and GORAN exit behind bush.

Chitty backfires and shoots some soot from its exhaust at GRANDPA. Everyone jumps back in amazement.

GRANDPA

(Moving round to the front with a face covered in soot.)

Motor cars, all a bit modern for me. Nasty smelly scary things.

BANG! The CAR reacts angrily to this in a backfire.

All right all right. Keep your bonnet on. Anyway, I'm off to India. It's quieter there.

Exit Grandpa MSL.

POTTS

Then, we're off.

JEREMY

What a funny noise it's making.

POTTS

It's talking to us... all engines talk.

JEREMY

What's it saying?

POTTS

She's saying—Chitty Chitty, Chitty Chitty, Chitty Chitty, Chitty, Chitty.

We can now hear the Chitty noise loud and clear. The car backfires again twice. Music creeps in under the rhythm we've set up.

Chitty chitty, chitty chitty, bang bang.

ALL

"Chitty chitty, bang bang".

General laughter. The CAR backfires twice as it sets off to the countryside.

Truly takes off her coat. She is dressed in a stunningly beautiful dress... perfect for a picnic at the seaside. The Joggers come passed her running forward. She gets into CHITTY.

POTTS turns the crank to start CHITTY then climbs in.

What an unusual car.

JEREMY

GORAN

BORAN and GORAN follow girls offstage. It's now late afternoon and the picnic is finished.

TRULY

JEREMY

We're full up. It was a lovely picnic though.

JEMIMA

Really lovely.

TRULY

Button... applause. Evening is starting to fall...

#15a – Post-Scrumptious

Noticing children asleep, TRULY gets blanket and from SR of the car covers them with Potts helping from SL of the car.

You know Mr. Potts, you have two wonderful children.

POTTS

I have to agree with you there.

TRULY

(Looking at view and the beauty of the beach she moves DS of the car.)

Isn't it beautiful?

POTTS

(Looking at and subtly referring to TRULY without her realizing and moving down towards her.)

Lovely, just lovely.

The sky's growing darker.

TRULY

Mr. Potts?

POTTS

Caractacus.

TRULY

Caractacus.

POTTS

Ridiculous name.

TRULY

Oh, I rather like it.

A flash of lightning. We hear distant thunder.

Anyway, Caractacus, do you remember I accused you of being a negligent father?

POTTS

I don't think I remember that.

TRULY

Yes you do. Well, I just feel I have to say that...

Another rumble of thunder.

... that I think you are... absolutely...

POTTS

... and I have to say... that you couldn't be more... completely...

Another roll of thunder and flash of lights.

TRULY

... Absolutely.

They are now looking into each other eyes. If they were to have their first kiss, this would be the perfect moment. Suddenly an enormous explosion. It's a thunderclap overhead. Both CHILDREN start upright and scream.

JEREMY

Daddy!

JEMIMA

Aaaah!

POTTS

It's alright children, it's only thunder. You've been asleep.

JEMIMA

What's happening?

TRULY

It's only a little storm.

By now the stage is quite dark.

POTTS

Right, let's get out of here swiftish.

JEREMY

Daddy! Daddy! The tide, it's come in.

Underscore change... tide coming in chromatics.

POTTS

Alright, let's get her into reverse.

CHITTY straightens.

JEREMY

Daddy! Daddy! There's water behind us now. You let the tide come in.

JEMIMA

Why didn't you notice the storm? What were you doing?

POTTS & TRULY

(Together, a little too loudly)

Nothing.

Another massive explosion. A pyro is set off MSR, very near the car.

TRULY

That wasn't thunder.

POTTS

You're right.

By now rain is lashing down. Another explosion. Another pyro MSL.

Nor was that.

JEREMY

Daddy! Help!

TRULY

Mr. Potts. The water's rising.

JEMIMA

We're going to drown!

POTTS

No we're not.

TRULY

Actually she's got a point.

Another explosion. Centre stage.

POTTS

It's a cannon. From a ship out there somewhere. Firing at us. I can't see through the fog.

They are now looking out into the audience. CHITTY'S headlights come on as if on their own accord.

Thank you Chitty. Oh my goodness ... Is that the Vulgarian flag?

#16 – Nautical Reprise

TRULY

What do they want?

JEREMY

It must be Baron Bomburst's men.

JEMIMA

It's the Vegetarians, they're after Chitty.

TRULY

Nonsense.

POTTS

They're right. They'll want us to surrender the car.

TRULY

I don't believe a word of it.

BORIS

(Offstage, as if on megaphone)

We want you to surrender the car!

POTTS

You see.

TRULY

Oh my God, we're all going to die!

JEREMY

Save us Daddy!

JEMIMA

Save us Chitty!

JEREMY & JEMIMA

Please.

A Pyro explosion.

ALL

Pleeeeeeease!

The CAR begins to glow and light up as a large inflatable section emerges and surrounds the car like a hovercraft.

TRULY

That's amazing. She's floating.

POTTS

Is she?

TRULY

A floating car!

POTTS

But of course. It's alright children, I think we've lost them.

We hear a stentorian blast on a foghorn

TRULY

I don't think so.

We hear the megaphone again. A search light flashes over the car.

VOICE

In the name of Baron Bomburst of Vulgaria, we charge you yield.

TRULY

They're still after us.

POTTS

Not on your life boy. Jeremy, Jemima, hold tight!

He puts his foot down and the car seems to be floating on the water, chased by the boat.

JEMIMA

Faster Daddy, faster!

TRULY

This is amazing. Now I've seen everything.

JEREMY

They won't steal our lovely car.

TRULY

It's not a car. It's a miracle!

SCENE NINE**#16a – The War Room**

Vulgaria. Music plays the ANTHEM in a minor key. The WAR ROOM inside the Royal Palace. The BARON and SOLDIERS are plotting war games on the large map which has an old fashioned phone on a little shelf at the side.

BARON

Don't you worry you little English people. We're not going to hurt you.

The BARON intentionally knocks game pieces on the floor. The BARONESS, who has been cleaning a pistol, accidentally fires at a soldier who falls to the ground DSL.

BARONESS

Oopsey Daisy.

An old-fashioned telephone rings.

Vulgaria. Top secret war room. How can I help you? Oh, its Boris.

(handing the phone to Baron)

BARON

Hello Boris?... what do you mean you lost the car!... It what!...

BARONESS

What?

BARON

He's saying the car can float! The secret mechanism still exists.

BARONESS

Whee.

BARON

(into phone)

Boris, I want that car! Get me that car! It will be my greatest toy... What?... This is a terrible line.

(Baron hits the captain, who hits 1st soldier who hits 2nd soldier who returns hits. Baron then listens to BORIS then repeats)

Yes, in the car is Potts,

(Listening repeating...)

a woman,

(Listening repeating...)

(BARON)

and two... chi

(Stops himself)

The room goes silent, all heads turn fearfully to the BARONESS.

BARONESS

Two what?

BARON

What?

BARONESS

Two what?

BARON

Nothing.

BARONESS

You said two chi... two chi...

BARON

...kens. In the car is Potts, a woman and two chickens.

BARONESS

(taking the phone)

Hello Boris, I'm good. You? Boris, are there two chickens in the car?

(listening, eyeing the BARON)

No? ... then what is there in the car? Potts... a woman... and two... Childr—

The BARONESS screams and faints into the arms of a waiting soldier, then is tossed into the arms of the BARON.

BARON

Call the Childcatcher.

CAPTAIN

Call the Childcatcher.

"CALL THE CHILDCATCHER" echoes off-stage.

BARON

Do not worry my dear. If they come here, the Childcatcher will do his work. Call the Childcatcher.

(BARONESS starts crawling around crying wailing to get the Barons attention and sympathy.)

CAPTAIN

Call the Childcatcher.

"CALL THE CHILDCATCHER" echoes off-stage.

BARON

If we can discover the secret of this car it can be harnessed for the good of our nation, we can take our proper place in the World once again...

#16b – Vulgarian Vision

(The BARONESS wails again.)

The streets will be spotless.

(The BARONESS attempts to interject again with a wail.)

Just give me a minute here, I'm on a roll. The streets will be spotless. There will be no more power cuts, the trains will run on time, we can invade smaller neighbouring countries for no apparent reason. Yes Vulgaria will be GREAT ONCE MORE!

BARONESS

I don't want children.

BARON

No, no, no, no, no, my poodle. The Childcatcher will know what to do. Where the hell is he?!

(There is an enormous crash of thunder. The stage goes black for a moment.)

Oh, you see, another power cut!

When the lights come back on the CHILDCATCHER is standing beside the BARON, who jumps in fright.

CHILDCATCHER

You called, sire!

#17 – Finale Act One

(Grandpa goes into the outhouse)

GRANDPA'S CAPTURE underscoring in... as the spies appear having watch Grandpa go into his outhouse.

GORAN

The inventor went into his very small laboratory.

BORIS

How very convenient... You go up... Lower the grappling hook...

(As GORAN climbs ladder at back of Outhouse, a hook is lowered. Goran then hooks it up.)

GORAN

Thank you Gunther..!!

GRANDPA

(From offstage)

Help, I'm being abducted by a foreigner!

Underscoring changes, as BORIS and GORAN run off MSL. All get into car as the Blimp track of a miniature Outhouse is flown in. CHITTY turns front as the miniature towed by balloon tracks from SL to SR.

Help....!!!!!!

JEREMY & JEMIMA

Don't worry grandpa, we'll save you!

POTTS

We're right behind you, Grandpa!

JEMIMA

(Variously)

Come on, come on.

(The miniature Balloon starts tracking up and out.)

JEREMY

They're getting away.

TRULY

They're making for the coast. We've got to catch them.

Everybody screams.

(The car levels out as two large wings sprout, one from each side, and the car begins to fly. Music swells, as Chitty's lights flash and she flies in a field of stars!)

POTTS

She didn't do this in the workshop.

JEMIMA

Wow, daddy, wow.

ACT TWO**#22 – Entr'Acte****SCENE ONE**

4 SOLDIERS onstage performing changing of the guard type march... BORIS and GORAN entering exhausted... up the aisles and onto the stage in front of the Vulgarian front cloth. They ad lib some comic dialogue, then return to the script.

GORAN

(Huffing AND puffing)

We did it, Boris. We did it!

BORIS

We did. We swam all 1,568 miles.

GORAN

We swam all the way from England. But I think the cold water shrunk me.

BORIS

It doesn't show.

GORAN

Good... and look we managed to beat the great balloon to Vulgaria.

BORIS

Improbable but true. And there's the inventor. The Baron will be so proud of us. We will all get a royal welcome.

#19 – Vulgarian Town Square

Vulgarian front cloth flies out to reveal Town Square of Vulgaria. Music is bubbling under. There is a podium Centre stage. The square is abuzz with activity... preparing to welcome (they think) the famous Professor Potts.

ALL sing together the Vulgarian National Anthem with a welcoming display of marching and small dance with expressions of utmost solemnity.

ALL

WE ARE LOYAL TO VULGARIA

VULTURE OF THE WEST

AND WE TOIL FOR VULGARIA

FEATHERING HER NEST

BARON congratulates BORIS and GORAN on their success, kissing both of them... GORAN on the lips. The Outhouse is pushed on MSL.

BARON

mmm... Salty.

Soldiers open the outhouse door revealing Grandpa. As he leaves it the Outhouse is taken off SL. BARON appears and greets GRANDPA with a big Vulgarian welcome.

ALL

THE SOIL OF VULGARIA
THROUGH ALL THE WORLD IS KNOWN
FROM HER HEIGHTS TO HER DAIRY AREA

GRANDPA

Blimey...!!

ALL

VULGARIA STANDS ALONE

BARON makes a speech.

BARON

Ladies and gentlemen. Fellow Vulgarians. The entire Vulgar nation wishes to welcome the brilliant Caractacus Potts.

The CROWD Applauds.

GRANDPA

How do you do?

BARON

Inventor extraordinaire.

The CROWD Applauds.

GRANDPA

Ah.

BARON

Caractacus Potts, as you may know, is distinguished in the field of mechanics.

GRANDPA

Ah. I think there's been a bit of a...

BARON

Why, even now he is working on a car that floats on water.

GRANDPA

... a bit of a mistake.

BARON

Which he is now going to develop for Vulgaria and its greater... What do you mean a mistake?

GRANDPA

I'm not him.

BARON

Not who?

GRANDPA

Caractacus Potts. I mean I am Caractacus Potts, but I'm not the inventor.

BARON

Shoot him!

Rifles are aimed.

GRANDPA

Not the inventor, to turn down a challenge such as this.

BARON

So, you'd like to start right away?

GRANDPA

(Wretched)

Yes, I need to go to the laboratory right away.

#19a – Fanfares

BARON

Ah, and now my beautiful Baroness reveals herself!

Enter the BARONESS from MSR in a very revealing costume.

GRANDPA

She certainly does.

BARON

My dear, this is Professor Potts, from England.

GRANDPA

How do you do Madame?

He kisses her hand.

BARON

He is the greatest inventor in the world.

GRANDPA

I really wouldn't say that.

BARONESS

You are too modest.

GRANDPA

I don't think so.

BARONESS

You must meet the toy maker. He is called the Toymaker.

GRANDPA

Indeed.

BARON

A fellow genius like yourself.

BARONESS

Vulgaria makes the most beautiful toys in the world.

(Applause)

GRANDPA

How lovely for the children.

The Baroness and ensemble girls scream. All the SOLDIERS cock their rifles simultaneously.

BARONESS

Husband! He used the c-word

BARON

Professor Potts, you will never use that word in front of my wife again.

The SOLDIERS relax.

GRANDPA

What word? Children?

The BARONESS and girls scream again. All the SOLDIERS cock their rifles.

BARON

She cannot stand the mention of them.

The BARONESS shudders.

BARON

In fact they are banned from this kingdom by act of parliament.

BARONESS

And we have a Childcatcher who controls the streets and gets rid of them.

GRANDPA

Good grief!

Podium is tracked off R2.

BARONESS

Making Vulgaria a more beautiful place to live.

BARON

Ah, and now...

Fanfare, as car is wheeled on, by six very old, frock-coated assistants from R2.

The car! No time like the present. This is my baronial car. Please work your magic on it, Professor Potts. These are your six assistants... my team of Inventors.

INVENTORS

Hello.

BARON

They are very old. If you can succeed in making my car float ...

GRANDPA

Float!

Enter a SOLDIER running.

SOLDIER

Baron Bomburst! Our observatory has seen a car flying across the border.

BARON

Flying? The car flies? Why didn't you tell me? You naughty boy. Very well, if you can fit my car with your float-fly feature, I will make you Keeper of the Vulgarian purse. If not, I will make you into a sausage.

GRANDPA

I say.

BARON

You have twenty-four hours.

BARONESS

And mind your language.

Ceremonial Fanfare... as BARON and BARONESS exit.

GRANDPA

I hope that chap is jolly well joking.

INVENTOR #4

The Baron rarely makes jokes.

INVENTOR #3

We had a bloke once came here, just like you. Tried. Failed.

INVENTOR #1

Got made into a sausage.

INVENTOR #2

They have terrible tortures.

GRANDPA

Good grief!

INVENTOR #4

They stretch you and they shrink you if you don't do what they want.

INVENTOR #6 (Who is tall)

When I came here, I was five foot two.

GRANDPA

But dash it all, a car that floats let alone flies. That's impossible!

INVENTOR #1

Nothing's impossible.

GRANDPA

That's what my son's always saying.

INVENTOR #2

We'll help you, won't we lads?

INVENTOR #5

Shoulders to the grindstone.

INVENTOR #4

Noses to the wheel.

INVENTOR #3

And if at first you don't succeed...

GRANDPA

Give up.

INVENTORS.

Underscoring in, as INVENTORS are escorted off by the SOLDIERS L1 and the car is taken off R2 by more Soldiers. Grandpa is dragged off DSL.

GRANDPA

I'm being abducted by foreigners...!!! I don't believe it..!!!

POTTS, TRULY, JEREMY and JEMIMA run on DSR.

POTTS

Poor Grandpa.

JEMIMA

But Daddy, why would Baron Bomburst want to kidnap him?

TRULY

He thought he was you.

POTTS

Of course.

TRULY

He mustn't get his hands on Chitty.

POTTS

Of course not.

TRULY

You should have hidden her.

POTTS

I should have what?

TRULY

Well, what if they find her?

POTTS

What do you mean?

TRULY

How are we going to get back?

POTTS

You didn't seem to have a better plan.

TRULY

I had plenty of better plans, if you'd have only let me get a word in edgeways.

POTTS

What do you mean a word in edgeways?

JEREMY

Are you two having a row?

TRULY

No.

JEMIMA

Does that mean you're going to get married?

TRULY & POTTS

NO!

TRULY

That would make me Truly Potts.

TOYMAKER

(Appearing suddenly from his shop)

Shhh!

POTTS

What?

TOYMAKER

You!

TRULY

What?

TOYMAKER

Quick, get those children inside!

(Bell rings off stage right)

Come on, come on. Quick before the child-catcher gets here.

POTTS

The what?

TRULY

Who are you?

TOYMAKER

The Toymaker.

(Bell rings again)

Now get inside! Please don't argue. We must get these children out of sight.

(Toyshop tracks on from track 2 SL)

Quickly... He's coming...!!

#20b – Into Toyshop**SCENE TWO**

*We are now inside the TOYMAKER'S shop. Walls festooned with carved figures.
TOYMAKER closes the door.*

TOYMAKER

Children are forbidden in Vulgaria.

POTTS

What?

TOYMAKER

The Suppression of Children Act, still in force.

TRULY

But what about all these toys?

TOYMAKER

They're for the Baron. He likes toys. A lot...

POTTS peers out door.

Get away from there... he might see you.

POTTS

Who?

TOYMAKER

The Childcatcher. He takes children and makes them... disappear.

POTTS

Which children?

TOYMAKER

All of them... as many as he can lay his hands on. It's all because of the Baroness.
She loathes them.

TRULY

Does she have any children of her own?

TOYMAKER

The Baroness? Oh no, she'd rather die.

We suddenly hear fearful knocking at the door as...

#21 – Childcatcher's Entrance

CHILDCATCHER

(From offstage)

There are children in here. I can smell them.

TOYMAKER

It's him. The Childcatcher. Quick, down here.

CHILDCATCHER

Children...!

The TOYMAKER shows JEREMY and JEMIMA where to hide in a hole in the work table.

TOYMAKER

(To the CHILDREN)

Don't come out till we tell you.

(More knocking... TRULY and POTTS find a secret compartment in the wall and hide... Aloud to CHILDCATCHER and hanging up his coat.)

Alright, I'm coming! I've been so busy, it's half day closing.

He unlocks the door. The CHILDCATCHER enters the toy shop.

CHILDCATCHER

Children, children. There's a twitch in my nose. I can smell children.

TOYMAKER

Children in a toyshop? Don't be absurd.

CHILDCATCHER

Absurd? My nose is never wrong.

The CHILDCATCHER is sniffing for children.

TOYMAKER

You've no right to come in here! No right!

CHILDCATCHER

No right. There are children in here. I can smell their blood and when I find them you will have made your last toy.

Underscoring out as...

SOLDIER #1

(Rushing in)

The Baron wants you back at the castle. The intruders have been located.

CHILDCATCHER

What?

SOLDIER #2

We've found the car... hidden in the bushes under the bridge. They can't have got far.

CHILDCATCHER

(Releasing him)

My nose must have been mistaken. There are no children here.

He exits with the SOLDIERS as...

POTTS and TRULY emerge cautiously. The TOYMAKER locks the door.

POTTS

What kind of country is this? Children forbidden! Jeremy! Jemima!

(Children come out of hiding.)

TRULY

I told you they'd find the car.

POTTS

Just bad luck.

TRULY

What do you mean bad luck....?

TOYMAKER

(Interrupting)

...Sir, Madam, I don't know who you are or what you're doing here, but take my advice and get out of Vulgaria.

POTTS

And leave my father in the castle? We came to get him out and that's what we're going to do. Will you show us the way?

TOYMAKER

To the castle? I can show you the way to get killed.

TRULY

Please help us.

TOYMAKER

If I don't finish this toy for the Baron's birthday tomorrow he'll have me shot.

POTTS

All right, I'll go myself. Truly, you stay here with the children.

TOYMAKER

No, listen. There is a way, a secret way. It's past where the children live.

POTTS

What children?

TOYMAKER

Those we have managed to hide. They're in the sewers under the castle.

POTTS

Under the castle... take me there.

TRULY

I'll go with you. You can't go on your own.

TOYMAKER

She's right. It'll be dangerous. I'll go with you.

(To TRULY)

You stay here. You'll be safe as long as you stay in my shop... with the curtains drawn and the door locked... The Childcatcher has been here once... he'll be looking elsewhere. So just stay inside.

(Potts and Truly have faced each other across the shop)

POTTS

(Sincerely)

Truly you are right I should have hidden Chitty I'm so sorry.

TRULY

Just promise me you'll be careful.

#22 – *Lovely, Lonely Man*

TOYMAKER

(To POTTS)

Well, are you coming?

POTTS gives Truly his coat and POTTS and THE TOYMAKER exit through the hole under the work unit. TRULY holds his coat close to her.

TRULY

THIS LOVELY, LONELY MAN
I'VE ONLY KNOWN A DAY
I LOOK AT HIM AND CANNOT LOOK AWAY
OH, WHAT A LOVE,
OH WHAT A LOVELY, LONELY MAN

JEMIMA

I'm hungry.

TRULY

Oh Jemima.

JEMIMA

Well I am.

JEREMY

I'm so hungry my tummy hurts.

TRULY

I know mine does a bit too... but we'll just have to be good and sit and wait.

(Truly moves a stool and sits on it with the children on the floor resting their heads on her knee.)

I'VE MET SO MANY MEN,
SO EASY TO FORGET
I THOUGHT I'D GROWN IMMUNE TO THEM
AND YET, HE'S SUCH A LOVE
HE'S SUCH A LOVELY LONELY MAN.
HOW DID HE TOUCH MY HEART?
HOW DID THIS FEELING START?
THIS GLOW THAT FEELS SO WARM INSIDE
THIS SUDDEN SUMMER STORM INSIDE
MY LIFE NOW HAS A PLAN
TO SOME DAY MAKE HIM SEE
THAT I NEED HIM, AS MUCH AS HE NEEDS ME.
OH WHAT A LOVE
OH WHAT A LOVELY, LONELY MAN
OH, HOW I LOVE THIS ONE AND ONLY MAN

She goes to the children.

Alright... he said you'll be safe inside. I'll go and get some food.

TRULY grabs basket.

Lock the door behind me... and stay inside until I get back.

TRULY exits the toy shop.

(To CHILDREN)

Locked?

JEMIMA

Yes.

TRULY

Good. I'll be right back.

CHILDCATCHER enters from R2 onto street with "paddy wagon" masquerading as candy cart as the Toyshop moves further SL. Segue to...

#22a – The Capture

underscoring "candy cart music"...

CHILDCATCHER

Lollipops, cherry pie, cream puffs, ice cream... and all free...

JEREMY goes to the door.

JEMIMA

Jeremy, no... Truly said...

CHILDCATCHER

Treacle tarts.

JEREMY

Treacle tarts?

JEMIMA

And ice cream.

JEREMY

And all free.

CHILDCATCHER

Come along kiddiewinkies.

Underscoring... as JEREMY unlocks the door. JEMIMA follows him to the cart, where the CHILDCATCHER has lured them. The CHILDCATCHER hides behind the cart.

Once they are inside he slams the door and the cloth screens are pulled off revealing the paddy wagon is a cage not the sweet shop.

JEREMY & JEMIMA

Truly... help us, help us.

As the CHILDCATCHER takes the children off R2 in cart, TRULY is left alone on stage in pool of light. She drops the basket as she screams.

TRULY

Children...!!!

(Reverb on this)

Blackout as Vulgarian in-one drop flies in.

SCENE THREE

BARON

Ooow, I'm so happy! It's my birthday and I'm having a big party and I'm getting the flying car and the toymaker has a special toy just for me. What more could a Baron want?

BARONESS

His Baroness.

BARON

Oh my veenerschnapple.

BARONESS

Your rotten toys mean more to you than I do.

BARON

No. You know what you are to me—don't you my darling?

BARONESS

SCENE FOUR**#23a – Post Chu-Chi**

Underscoring into THE SEWERS... Brick arches covered in slime. The TOYMAKER enters holding a lantern, with POTTS.

TOYMAKER

Two hundred feet above us through that solid rock is the castle of Baron Bomburst. And here, down below we have... these are our children.

As our eyes become accustomed to the gloom we see CHILDREN in rags, a handful or so.

The ones we've been able to hide. The survivors. Look at them. They don't know what a tree looks like, or what it's like to run in the sunshine.

STEPHEN

Food! Have you got any food?

CHILDREN

Food! Food! Food!

TOYMAKER

They run up the drains and steal what food they can from the kitchens.

Girl arrives with remains of a banquet.

GROUP KIDS

Look!

GRETA

Food! Look!

She shares it with others, the stronger among them. Not all CHILDREN are fed.

TOYMAKER

Stop it, share it out like I told you. Give some to Toby. He's not as quick as you are.

SUSAN

We don't like Toby.

TOBY is a weak-looking child who sits on his own. PETER pushes TOBY out of the group.

TOYMAKER

Don't let me have to steal from you. Here you are.

TOBY

Have you got any toys?

TOYMAKER

No toys this time, Toby. I've been too busy. It's His birthday.

The CHILDREN scream in spontaneous anger, making rude gestures upwards.

But listen, that means there'll be lots of leftovers.

GRETA

Look out. Look out.

MARTA

Someone's coming.

Everyone scatters and scuttles away. And up through a trap comes TRULY.

POTTS

Rushing to her

Truly! What happened? Where are the children..?

TRULY

Barely able to get her words out.

...They've been taken.

POTTS

What?!

TRULY

That horrible creature. He tricked them. I am so sorry.

POTTS

Where are they now?

(underscore)

#24 – Teamwork

TRULY

He caught them. He put them in a cage on a cart.

TOYMAKER

They'll be in his castle by now.

TRULY

What are we going to do?

*POTTS hears the children sing. He paces past the group of CHILDREN as he thinks.
And then it hits him.*

JEREMY & JEMIMA

IT ISN'T FAR TO HUSHABYE MOUNTAIN
SAIL FAR AWAY FROM LULLABY BAY

POTTS

I've got it!

TRULY

He's got it.

POTTS

Look, we're all in the same boat, here.

RIGHT?

CHILDREN, TRULY & TOYMAKER

RIGHT!

POTTS

But, we can all work together.

RIGHT?

CHILDREN, TRULY & TOYMAKER

RIGHT!

POTTS

So we're all going to break into the castle!

RIGHT?

No response... they're stunned.

IF THE SAME GREAT DREAM

IS BEATING IN EACH HEART

THERE'S NO STOPPING WHAT A FIGHTING TEAM CAN START

FOR, ALTOGETHER, A TEAM CAN WEATHER

EVERY STORM WE MAY GO THROUGH...

'CAUSE, TEAMWORK CAN MAKE A DREAM WORK

CAN MAKE THE GREATEST DREAM COME TRUE

TOYMAKER & CHILDREN

It's impossible!

POTTS

Impossible? Yes, totally impossible if we carry on like this. My children are up there in chains and so is your country. And what are we doing? Squabbling over scraps.

POTTS points to them (CHILDREN) and their size.

BOY

(Getting it)

MAYBE, DESPITE OUR SIZES

WE COULD GIVE THEM QUITE A FIGHT

POTTS

RIGHT!

GIRL

MAYBE, WITH SOME SURPRISES
WE COULD WIN THE DAY TONIGHT

POTTS

RIGHT!!

TRULY

IF OUR MINDS AND HEARTS
TEAM UP AND FIGHT AS ONE

BOY, GIRL, POTTS, TRULY

WE WON'T STOP UNTIL THE VICTORY IS WON

POTTS

WHEN YOU'RE UNITED, A TORCH IS LIGHTED
THE GOLDEN FLAME OF LIBERTY

ALL

YES TEAMWORK CAN MAKE A DREAM WORK
THEN WE'LL STAND TALL, AND PROUD AND FREE...

TOYMAKER

THERE'S A SPARK OF A DREAM
IN EVERYONE OF YOU
IT'S THE DREAM OF FREEDOM
THAT'S YOUR HEART'S DESIRE

POTTS

THOUGH ONE TINY LITTLE SPARK
CAN BARELY MAKE A MARK

ALL

ALL TOGETHER MANY SPARKS
CAN LIGHT A MIGHTY FIRE

TRULY, TOYMAKER & CHILDREN

TEAMWORK CAN MAKE A DREAM
WORK

IF WE ALL PITCH IN AND TRY
TEAMWORK CAN MAKE A DREAM
WORK
AND NO MOUNTAIN IS TOO HIGH

POTTS

OH YES, WE CAN DO IT
OH YES, WE CAN WIN THE DAY
OH YES, IF WE FOLLOW THROUGH
ALTOGETHER WE CAN WIN,
OUR NOBLE DREAM OF FREEDOM
CAN BEGIN
ALTOGETHER ONE GREAT TEAM

(TRULY, TOYMAKER & CHILDREN)

IF THE SAME GREAT DREAM IS
 BEATING IN EACH HEART
 THERES NO STOPPING WHAT A
 FIGHTING TEAM CAN START!
 FOR ALL TOGETHER A TEAM CAN
 WEATHER
 EVERY STORM THEY MAY GO
 THROUGH

YES TEAMWORK CAN MAKE A DREAM
 WORK
 CAN MAKE THE GREATEST DREAM
 COME TRUE

(POTTS)

CAN WIN THE BATTLE AND WIN
 WHAT ALL OUR HEARTS DESIRE
 LET'S LIGHT THE FIRE
 AND NEVER STOP WHAT WE BEGIN

YES TEAMWORK CAN MAKE A
 DREAM WORK
 CAN MAKE THE GREATEST DREAM
 COME TRUE

POTTS walks the ranks as if preparing them for battle.

ALL

TEAM WORK CAN MAKE A DREAM WORK
 IF YOU'RE NOT AFRAID TO FIGHT
 TEAM WORK CAN MAKE A DREAM WORK
 IF YOU FIGHT FOR WHAT IS RIGHT
 THOUGH IT SEEMS A DREAM'S IMPOSSIBLE TO DO
 GREAT TEAMS MAKE IMPOSSIBILITIES COME TRUE
 SO, WHEN YOU START OUT
 PUT ALL YOUR HEART OUT
 AND NEVER STOP ONCE YOU BEGIN
 CAUSE TEAMWORK CAN MAKE A DREAM WORK
 IF YOU HAVE GOT THE WILL TO WIN.
 YES TEAMWORK CAN MAKE A DREAM WORK
 IF YOU HAVE GOT THE WILL TO WIN

(Play out starts as KIDS wave and exit SL off into battle. TOBY has hidden USL – and runs to Potts who puts him on his shoulders and carries him off through the sewer.)

#24a – Teamwork Playoff

Teamwork Playoff into Chu Chi theme, as in-one Vulgarian drop in as Baron and Baroness track on with dressing screen from DL1 to C and back to...

SCENE FIVE

BARON

(Singing)

'Teamwork, can make a dream work, if we all pitch in and try'.

BARONESS

What are you singing?

BARON

I heard it in the bathroom.

BARONESS

Catchy.

BARON

I'm so excited. Strudel, you must tell me, what's the theme for this year's party?

Is it Cowboys and Indians?

BARONESS

No.

BARON

Is it Doctors and Nurses..?

BARONESS

After last year, never again.

BARON

Then I'm stumped.

BARONESS

Alright Bombie. Tonight you and your partner will be spirited away to the booming, bouncing beaches of Brazil.

BARON

Brazil?

BARONESS

Everyone who is anyone is going there these days.

BARON

Brazil?

BARONESS

It's all the rage. I've made all the Vulgarians learn to Samba.

BARON

(Defeated)

Summon the Toymaker.

BORIS

Summon the Toymaker!

GORAN

Summon the Toymaker!

FANFARE... as TOYMAKER enters SR

TOYMAKER

(Bowing)

Your Excellency, may I be permitted to wish you...

BARON

Shut up.

TOYMAKER

Everything you wish yourself....

BARON

Shut up.

TOYMAKER

...on this happy occasion.

BARON

Shut up. Tell me what you've made me this year for my birthday.

TOYMAKER

Such a toy, such a work of mechanical perfection.

BARON

Very well, where is it?

TOYMAKER

Bring in the Baron's birthday present.

#25a – Fanfare

...as two large brightly colored toy boxes are brought on from DL1 and DR1.

This year, Your Excellency, I have surpassed myself. I have been working night and day, perfecting every little detail to bring you ... this!

On cue the box SR is opened to reveal Truly as a life sized doll.

COURTIERS

Ooo! Aah!

BARON

A Doll? A Doll? I have hundreds of dolls.

BARONESS

Really?

BARON

No more dolls! You take them away!

TOYMAKER

But... this is no ordinary doll, Your Excellency. Watch very carefully.

The toymaker cranks Truly's Toybox and she comes to life to sing.

TOYMAKER

(To POTTS and TRULY)

Bring him his cake.

#26a – Cake Revealed

Toy boxes are taken off R1 and L1 as Baron/Baroness chairs struck off stage. Cake starts to move DS.

BARON

Look at those two... my best birthday ever.

(BARON)

(To BARONESS)

Thank you, my little tinkle tart...

Cake arrives.

(To POTTS)

...I get the first piece! I get the first piece! Give me what I jolly well deserve!

POTTS

(Potts returns to being himself)

Oh we'll give you what you deserve alright... children!

#27 – Fight & Finale Act Two

...Chase ensues. CHILDREN appear screaming from all directions.

BARONESS

No, No, No! Anything but children!... call the Childcatcher!

POTTS

(To the Children)

No, don't be frightened. Remember, Teamwork!

CHILDREN

Teamwork!

CHILDREN chase the BARON and BARONESS around the cake surrounding them and tying them up with the "HAPPY BIRTHDAY" banner.

Suddenly, the CHILDCATCHER appears atop the Birthday Cake holding his sickle.

CHILDCATCHER

Hello, Kiddy Widdy Winkies.

Suddenly a fanfare is heard... then a familiar double backfire. There are two blinding lights seen through kabuki drop. The kabuki drops and CHITTY is revealed flying in with GRANDPA at the wheel and Jeremy and Jemima in the back seat.

GRANDPA

Come on you sausage eaters, let's be having you!

The CHILDCATCHER turns to look at CHITTY coming right at him. He is mesmerized. He tries to escape but a couple of inventors have brought his Cart in DSR and the children threaten him SL. The CHILDREN, POTTS and SOLDIERS attack him and drag him SR and throw him into his own cart. He exits screaming.

CHILDCATCHER

I'll get you...

(at the audience)

I know where you live!!!!

There is a tremendous cheer!

JEREMY & JEMIMA

Daddy, Truly!

JEMIMA

Chitty saved us!

FAMILY and TRULY hugs... Underscoring shifts to sustained chords...

BORIS

We just want to make it clear we never liked the Childcatcher very much.

GORAN

The whole nose thing, and the ears. And the Children.

BORIS

We actually never liked the Baron either.

GORAN

No, I liked the Baron... he was a good kisser...

POTTS

(To GRANDPA)

How did you escape?

GRANDPA

That car burst right into my cell. Didn't you?

Car horn hoots.

Did I tell you about the time I...

POTTS, TRULY, JEREMY & JEMIMA, INVENTORS

Yes!

TOYMAKER

So. The Suppression of Children act is now repealed.

(Ripping up the document)

ALL

Hooray!

TOYMAKER

You are henceforth banished!

BARONESS

You can't banish me, I'm on the stamps.

TOYMAKER

Out!

As the BARON and BARONESS are escorted off DL...

BARON

Fine, fine. We never liked you anyway.

(music)

Don't worry my darling. I don't need toys. I don't need my Kingdom. All I need is you.

Underscoring shifts to Bombie Samba vamp...

BARONESS

Oh, my little schnepelface.

(music)

I feel like having pickled onions and ice cream. Mean anything?

FEMALE ENSEMBLE

(Gasp..!)

Ahhhh...

EDISON (family dog) runs on from DR1 to GRANDPA... underscoring runs up for EDISON's entrance and Baron and Baroness exit SL.

POTTS, JEREMY, JEMIMA, TRULY & GRANDPA

Edison!

POTTS

...how did you get here.

BORIS

Like us... he swam...

GORAN

...the doggy paddle.

... Sewer Children all come on and hug parents/families.

TOYMAKER

We're all together again... and it looks like you are too. You see... A Happy Ending.

The CROWD Cheers!
